Agreement on the Granting of Rights of Use for Photographs

Subject Matter

The uploader (“Photographer”) grants Black Market International (BMI) the right to use the photographs uploaded during the Museumsnacht Kassel on September 6, 2025.

Granting of Rights

The Photographer grants BMI a simple, unlimited right of use with respect to time, territory, and content for the uploaded photographs.

The right of use particularly includes reproduction, distribution, making publicly available, exhibition, editing, archiving, as well as use in print, online, and social media publications.

The copyright remains with the Photographer; only rights of use are granted.

Credits (Name Attribution)

BMI undertakes to visibly credit the Photographer’s name as specified in the upload form in every publication.

Publication without name attribution is only permissible in exceptional cases, if unavoidable for technical or design reasons (e.g., very small preview images).

Obligations of the Photographer

The Photographer affirms that he/she is the sole author of the uploaded photographs and that no third-party rights are infringed.

The Photographer indemnifies BMI against any third-party claims resulting from unauthorized use.

Limitation of Liability

BMI assumes no liability for technical problems during upload or for data loss.

Final Provisions

The law of the Federal Republic of Germany applies.

The place of jurisdiction is Frankfurt am Main, insofar as legally permissible.
